Dear Parent and Carers

### **Seesaw Online Journal**

Thank you to those parents who have signed up to the Seesaw Online Journal. This is our new way of sharing photographs and information about your child's progress, and for you to share your child's learning in the home environment with us. As a secure online site, Seesaw is a fantastic way for us to share your child's development with you and we hope it will enhance the working partnership we have with you.

We will be able to add photographs, videos and drawings to your child's Seesaw journal and share them privately with you and other family members for you to view and comment on throughout the year.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work such as their photos, videos and drawings with their account. Seesaw only uses this information to provide the service. It does not advertise, create profiles of children, share or sell your child's personal information or journal content. You can read more about their strong privacy assurances here: <https://web.seesaw.me/privacy>

Under the General Data Protection Regulations (GDPR), in order for your child to use Seesaw, the Pre-School must ask your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>

We hope you will enjoy using Seesaw as a means of documenting and sharing your child's learning. In order for your child's journal to be created, please sign and return the permission slip below (preferably electronically) as soon as possible. If you need a hard copy of this letter and permission slip, please email [officetiddlywinks@gmail.com](mailto:officetiddlywinks@gmail.com)

Thank you.
